## Communications Manager

The Community Foundation of Northern Colorado is seeking a Communications Manager to join its collaborative, dynamic, and innovative team. This position will provide a unique opportunity to connect with the most philanthropic aspects of the Northern Colorado region in a fast-paced, community-focused, paperless office environment that often involves confidential information.

The Foundation is celebrating its 46<sup>th</sup> anniversary and currently manages more than 550 charitable funds and \$165 million in assets. We distribute millions of dollars each year in grants and programs, and more than 75 nonprofit organizations have entrusted their long-term assets to the Foundation. While we serve donors throughout the state, our service area focuses on Larimer County and the northeastern plains of Colorado. We employ 14.5 FTEs, and in 2014 we were recognized as Colorado's "Foundation of the Year." In just the past few years, the Foundation received gifts of water rights, mineral rights, farmland, a ranch, residential homes, art collections, and a manufacturing firm.

The Foundation's mission is to inspire and unify the communities we serve, and we do this by serving as a thought leader, a nonpartisan convener, and a catalyst for community initiatives. Recent leadership projects include:

- Serving as an advocate and funder for downtown revitalization in Loveland.
- Raising and distributing millions of dollars for mid-range and long-term recovery needs related to the fires of 2012, the floods of 2013, the hurricanes of 2017, and most recently COVID-19 and the wildfires of 2020.
- Serving as the Regional Champion for Colorado Gives Day in Larimer County.
- Strengthening the local nonprofit sector by providing coaching and consulting.
- Supporting regional discussions about water — a central issue related to conservation, regional planning, agriculture, and economic development.

Serving as the long-term steward for charitable funds is a multifaceted role that requires our employees to efficiently manage multiple projects and priorities, be knowledgeable about evolving needs in our region, and successfully prepare for and complete follow-up actions.

Applicants must have five years of full-time relevant work experience, with at least three years supporting executives and communicating directly with key stakeholders. A bachelor's degree and nonprofit experience are preferred.

We are specifically seeking applicants that have demonstrated exceptional attention to detail, unwavering integrity, and an extraordinary commitment to confidentiality. The successful candidate will be a flexible, progressive thinker who actively seeks opportunities for improvement and proposes solutions. Applicants should have both an aptitude for, and ability to effectively utilize, technology tools and services that allow our team to operate in a highly efficient environment (examples include Raisers Edge, Asana, and Zoom).

This employee must embrace our team's Statement of Values, which emphasizes servant leadership, positivity, trust, and confidentiality. Applicants should also be personable, energetic, engaging, polished, and have the knowledge and demeanor required to interact with constituents in a manner that demonstrates the benefits of having a relationship with the Community Foundation.

The Foundation offers a competitive salary and benefits package. An offer of employment will be subject to a positive reference from the applicant's most recent employer, a signed Confidentiality Policy acknowledgement, and a standard background check performed by an employment screening company. The Foundation owns an office building in southeast Fort Collins, which is easily accessible from surrounding communities.

Applicants should carefully review the job description that follows, visit [NoCoFoundation.org](https://www.nocofoundation.org), explore [Facebook.com/NoCoFoundation](https://www.facebook.com/NoCoFoundation), and read our [Annual Report](#) prior to submitting a cover letter and resume **as one combined PDF file using the form available at [NoCoFoundation.org/jobs-opportunities](https://www.nocofoundation.org/jobs-opportunities).** Applications will be **reviewed on a rolling basis until Friday, May 14** or the position is filled.
