This position will provide a unique opportunity to connect with the most philanthropic aspects of the Northern Colorado region in a fast-paced, community-focused, paperless office environment that often involves confidential information.

The Foundation is celebrating its 46th anniversary and currently manages hundreds of charitable funds and \$180 million in assets. We distribute millions of dollars each year in grants and programs, and more than 75 nonprofit organizations have entrusted their long-term assets to the Foundation. While we serve donors throughout the state, our service area focuses on Larimer County and the northeastern plains of Colorado. We employ 15 FTEs, and in 2014 we were recognized as Colorado's "Foundation of the Year." In just the past few years, the Foundation received gifts of water rights, mineral rights, farmland, a ranch, residential homes, art collections, and a manufacturing firm.

The Foundation's mission is to inspire and unify the communities we serve, and we do this by serving as a thought leader, a nonpartisan convener, and a catalyst for community initiatives. Recent leadership projects include:

- Raising and distributing millions of dollars for mid-range and long-term recovery needs related to the fires of 2012, the floods of 2013, the hurricanes of 2017, and most recently COVID-19 and the wildfires of 2020.
- Serving as the Regional Champion for Colorado Gives Day in Larimer County.
- Strengthening the local nonprofit sector by providing coaching and consulting.
- Supporting regional discussions about water — a central issue related to conservation, regional planning, agriculture, and economic development.

Serving as the long-term steward for charitable funds is a multifaceted role that requires our employees to efficiently manage multiple projects and priorities, be knowledgeable about evolving needs in our region, and successfully prepare for and complete follow-up actions.

Applicants should have both an aptitude for, and ability to effectively utilize, technology tools and services that allow our team to operate in a highly efficient environment (examples include Raisers Edge, Asana, and Zoom).

This employee must embrace our team's Statement of Values, which emphasizes servant leadership, positivity, trust, and confidentiality. Applicants should also be personable, energetic, engaging, polished, and have the knowledge and demeanor required to interact with constituents in a manner that demonstrates the benefits of having a relationship with the Community Foundation.

QUALIFICATIONS:

- Bachelor's degree required
- Nonprofit experience preferred
- At least three years of full-time relevant work experience, with at least two years supporting executives
- Excellent written and verbal communication skills

COMPENSATION: \$45,000-50,000 (based on education, experience, and tenure with the organization)

BENEFITS INCLUDED: Paid time off, 11 paid holidays, sick time, 401K contribution, medical insurance, health savings account plan, health reimbursement arrangement, vision insurance, dental insurance, short- and long-term disability insurance, and life insurance.
