

While attending Philanthropy Colorado in-person programming, all participants agree to follow our COVID-19 protocols:

- Participants are encouraged to be fully vaccinated (or are required to be fully vaccinated if the event venue or speakers stipulate this requirement) and agree not to attend in person if they exhibit any symptoms of the COVID-19 virus, become ill or are exposed to the COVID-19 virus prior to the event. Please use the quarantine and isolation calculator on the CDC website to determine how long you need to isolate, quarantine or take other steps to prevent spreading COVID-19.
- Participants agree to wear a mask if the event location requires or recommends masks or if the county's COVID-19 levels fall into a category that recommends mask wearing as determined by the CDC. Participants can always opt to wear a mask regardless of the recommendation. (If you are immunocompromised or at high risk for severe disease, learn more about how to protect yourself with additional CDC recommendations for each COVID-19 Community Level- https://www.cdc.gov/coronavirus/2019-ncov/science/community-levels.html#anchor_47145).
- NOTE: These COVID-19 policies may change at any time to adapt to current recommendations or rules from the CDC, Federal, State, County or other government agencies. Event organizers will alert participants should these policies change.

Additionally, I understand that participation in events may increase the risk of exposure to communicable diseases. I hereby release, waive and discharge any and all liability, claims, and demands of whatever kind or nature against Philanthropy Colorado and its affiliated partners and sponsors, including in each case, without limitation, their directors, officers, employees, volunteers, and agents.
